A photo description

Look at today's school's web (<https://www.terresdeponent.cat/trobada-de-corals-a-cervera/>). There's a photo of some students from 1st ESO! We're in Cervera, at the Choirs Reunion 2019 organized by Departament d'Ensenyament. We are also celebrating its 25th anniversary! Cervera has also been named the Capital of the Catalan Culture.

We are standing very close to the Teatre de la Passió. The man behind the group is Mr Santos. He is our teacher of music. The boy on the left of the picture is my friend Miquel. He's wearing a pair of jeans and a light brown hoodie. He's situated next to Meritxell. She wasn't a good singer, but now she is. She sings lovely because she feels it deep in her heart! It was beginning of May, so we are still wearing long-sleeve tops.

Believe it or not, I think we really gave a very good performance!
